Hello,

You have been selected to receive this letter because you are recognized as someone who cares about the youth of our community and wants the best for them. Will you join me as one of the 100 supporters of Latch Key who invest \$100 into this year's Pearl Griffin Memorial Latch Key Program **\$100 from 100 people** project.

Latch Key provides an afterschool program at no cost where parents can pick up their children after work. But, it is not a babysitting service. It is much more than that. It is an opportunity for children of low income working parents to receive meaningful instruction and individual attention in a safe and loving environment.

Some funding is provided by United Way, grants and an annual hamburger cookout served by the Pecan Valley Kiwanis Club. But this annual "100 from 100" helps to reach the necessary goal.

The enclosed brochure provides more information about the program and you may visit their website at www.latchkeyprogram.org. We hope you will help us with this most important project. Your tax-deductible contribution is extremely important in making a positive impact on the lives of these precious children.

Your contribution may be mailed to:

Brownwood, Texas 76804

Online donations may be done through the website www.latchkeyprogram.org and just click the donate button or by scanning the QR Code below.

They were unable to have their annual hamburger supper in April 2020 so please be sure to join Latch Key at their supper on Tuesday, April 13th from 5-7pm in the fellowship hall at First Christian Church, 2411 Coggin Avenue.

Sincerely,

Bill King
