

Dear Friends,

I suspect that you, like me, receive countless letters and cards soliciting your support for various organizations. I'll admit that I generally quit reading if the note is too long but I beg you to hear me out!

I'm writing on behalf of the Latch Key after school program and I am honored to currently serve as president of the board of directors. Latch Key provides state licensed after school care and academic enrichment at no cost to low income children of working parents who attend school in Brownwood. This school year we provide care to 77 students and I've enclosed a brochure that delineates the history, vision and work of this fantastic organization as well as an attached letter from a parent of a current student in Latch Key, who was a former student herself.

The funding of this vital program comes from the generosity of local citizens and I would like to ask you to participate in our "100 for 100" fundraising campaign. We essentially mail out letters to folks like yourself hoping to generate \$100 from 100 families, but any amount is greatly appreciated.

Tax deductible donations may be mailed to:

Pearl Griffin Latch Key Program
PO Box 2121
Brownwood, TX 76804

Online donations can be made on the Latch Key website:
www.latchkeyprogram.org

Please join us on April 16, 2019 for Latch Key's annual Hamburger Supper. It will be held from 5-7pm in the Fellowship Hall of First Christian Church, 2411 Coggin Avenue.

Have a blessed 2019!

Tom Byrd MD
